Open Discussion:

Usually the MJ plenary sessions held at 10:00 AM, but since none of the members of the Administrative Board of the House were present at today, the Senators after waiting almost 40 minutes left the session.

However, at 11:00 AM Speaker of the House attended the session, but only few senators were present.

The Speaker of the House referring to the Senators' protest on Tuesday May 16, 2017, asked the protesters to attend tomorrow's session of the Chairs' committee to speak about their grievances, otherwise the Administrative Board of the House will make decision regarding their absence.

Agenda:

All of the agenda items were postponed to the next session.

The session officially adjourned at 11:10 AM
